Barrow Multiple Sclerosis Symposium
Sonntag Pavilion
St. Joseph's Hospital and Medical Center

Educational Objectives
At the conclusion of this activity, participants should be able to:
1. List the diagnostic criteria for Multiple Sclerosis (MS)
2. Describe disease processes that mimic MS
3. Select the appropriate screening and diagnostic tests when MS is suspected
4. Review current and future disease modifying therapies and symptomatic treatment therapies
5. Evaluate and select the appropriate treatment options for patients with MS and/or neuromyelitis optica

Target Audience
Physicians (neurologists, ophthalmologists, general practitioners), Nurse Practitioners, Fellows, Residents, and Allied Health Professionals

Accreditation
St. Joseph's Hospital and Medical Center (SJHMC) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
St. Joseph's Hospital and Medical Center designates this live educational activity for a maximum of 3.75 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Why You Should Attend
Attendees will be updated on Multiple Sclerosis and Neuromyelitis Optica symptoms, diagnostic criteria, and current treatment options. They will also have the opportunity to discuss with the faculty any challenges they face when caring for these patients.

Content Without Bias
It is the policy of St. Joseph's Hospital and Medical Center to ensure balance, independence, objectivity, and scientific rigor in all of its sponsored educational programs. Industry does not influence educational content, faculty selection, and/or faculty presentations, and, therefore, does not compromise the scientific integrity of the educational activity.

Dignity Health Arizona Region is an approved provider of continuing nursing education by the Arizona Nurses Association, an accredited approver by the American Nurses Credentialing Center’s Commission on Accreditation.
